Why use *Online* Fundraising Tools?

USING ONLINE TOOLS MAKES FUNDRAISING EASIER

Participants who use personal pages raise more money!

- Bike MS — \$883 v. \$468
- Walk MS — \$473 v. \$232

GUIDE TO ONLINE FUNDRAISING

Each donation you collect brings us closer to a world free of MS. Your fundraising success is limited only by your imagination. Is there any greater feeling than knowing you have made an impact on the lives of those living with MS and their families?

ONLINE SECURITY

The National MS Society has made every effort to protect your information and the information of your donors. We use industry standard SSL encryption techniques to make sure credit card information, password and personal information travel securely over the Internet.

Participant Center

A customizable Participant Center is available to each registered participant. You can access the Participant Center by logging in through the 'Login to my Account' box with your username and password at the top of the screen.

PARTICIPANT CENTER FEATURES

- Add or import contacts to your Address Book.
- Send emails to family, friends, co-workers or anyone else you would like to ask to sponsor you for Bike MS. We've even provided sample emails that you can use.
- Send thank you emails to those who have donated to your fundraising efforts.
- Monitor your fundraising progress — receive email notifications when someone has donated to your fundraising efforts.
- Update your personal page — include your story and explain why you decided to participate in Bike MS. If you have a connection to MS, share it and tell others why they should Join the Movement®.
- Update your Fundraising Goal.
- Learn what to do next — this box changes with suggestions to help you with your fundraising and get the most out of your Participant Center.
- Install the Fundraise with Facebook app — It allows your entire Facebook network to donate directly to you.

USERNAMES/PASSWORDS

If you participated in a previous event or are a newly registered participant, you created a username and password. If you have forgotten your username or password, please click the link or call us at 1-800-344-4867.

The image shows two dark grey rectangular panels. The left panel is a login form with the text 'LOGIN TO MY ACCOUNT' and a link 'Forgot Username or Password?'. Below this are two input fields: one labeled 'Username' and another with masked characters '.....'. To the right of the password field is a yellow 'LOGIN' button. The right panel is a welcome message that says 'WELCOME, Sarah' and includes links for 'Bike MS Participant Center', 'Edit Account', and 'Log Out'.

fundraise with
facebook

This app makes it easy for your entire Facebook network to donate directly to you.

Edit Personal Page

Your Personal Page is a unique web page asking friends and family to join your team or support you by making a donation.

- Customize your page to share your story about why you are riding to create a world free of MS.
- Choose a layout for your personal page.
- Create a personalized/vanity URL shortcut for easy reference by clicking edit.
- Upload pictures or video to make your story more powerful.
- Enable a water bottle thermometer showing dollars raised towards your personal fundraising goal.
- Choose how you would like your donors to be listed on your page — by donor name only or name and amount of donations received.
- Enable the blog feature to post updates about your fundraising success and event experience.

Why I Chose to Participate in Bike MS:
Every hour of every day, someone is diagnosed with multiple sclerosis. That's why I've registered for Bike MS. Bike MS is a ride (not a race) that connects friends, families and co-workers. Each mile we ride brings us closer to a world free of MS.

About MS
I am asking you to support me in Bike MS because this is a cause that is meaningful to me. Millions of people are affected by MS and the challenges of living with its unpredictable symptoms. Multiple sclerosis interrupts the flow of information between the brain and the body and it stops people from moving. Symptoms range from numbness and tingling to blindness and paralysis. The progress, severity and specific symptoms of MS in any

Components

- Status Thermometer**

Thermometer showing dollars raised to personal fundraising goal.
- Fundraising Honor Roll**

Scrolling list of largest donations received.

Show donor names only (do not show amounts)
- Enable Personal Blog**

Allows you to post updates when viewing your personal page.

The Preview will open in a new window, but will not save your changes.

Address Book

Keep it simple by uploading your existing address book from your personal email account. Click on "Import Contacts" to import contacts from another email application you use.

THE SOCIETY'S ONLINE FUNDRAISING TOOLS SUPPORT THE FOLLOWING:

- Outlook/Outlook Express
- AOL
- Yahoo! Mail
- Gmail
- Generic CSV

You can also upload a .csv file exported from another email client. Add contacts manually by choosing "Add a contact" and typing in each contact name and e-mail address.

Email

The email section allows you to send messages to your friends, family and co-workers to ask for donations in support of your participation.

EMAIL OPTIONS

- Thank those who have made a donation
- Recruit team members
- Solicit donations
- Other

Corresponding messaging is available for each Email Option. There is also event stationery and a blank template.

Note: If you would rather email from your personal email account, you can copy and paste any of the content into an email and send.

The screenshot shows a web interface for composing an email. At the top, there are navigation buttons: Home, Send Email (highlighted with a red circle), Progress, Edit Personal Page, and Edit Team Page. Below this is the 'Compose Message' section. It includes a 'To:' field with a dropdown menu, a 'Subject:' field, and a 'Hide templates' section with four radio button options: Thank You (1), Recruiting (3), Solicitation (2), and Other (1). The 'Compose' button in the right sidebar is also highlighted with a red circle. At the bottom, there is a rich text editor with various formatting options like bold, italic, underline, and font color.

Follow-ups

This section allows you to manage your contact list by monitoring emails you have sent and by sorting and filtering various groups within your list.

FILTERING OPTIONS

- By Donor Status — have or have not donated
- By Team Status — current team members
- By Past Team Members Status — past team members that have not joined your team
- By Never Emailed Status — have not contacted
- By Needs Follow-Up Status — need to send an email, a follow-up email
- By Unthanked Donors Status — need to send a thank you message
