

Below are a few important details on how you can continue to fundraise even after Bike MS NYC!

1. **The fundraising and ranking deadline is November 18, 2016.** There is still time to reach the Top Fundraiser status by raising \$1,000 or more! If you reach this status, you will be eligible to receive a Top Fundraiser jersey by mail.

2. **Online fundraising is still available through your Participant Center.** Log in with your username and password and send out one final email to your friends and family letting them know how your experience was at Bike MS NYC and that there is still time to contribute!
3. **You can still mail in donations!** Remember to always include your name in the memo section of each check so it can be credited to your account.

4. **You can significantly increase your fundraising total by asking your donors to apply for matching gifts!** Many companies have matching employer gifts and volunteer incentive programs to maximize their financial contributions to non-profit organizations. This means the employer will match their employees' donations to the New York City – Southern New York Chapter of the National MS Society which will increase your fundraising total and bring us closer to a world free of MS. Click [here](#) to see how it works! Be sure to include your name and account number in the memo section of each check so it can be credited to your account.
5. **Are you going to be a member of our 2017 Elite 200 Club?** The top 200 fundraisers from this year's ride will be inducted into the 2017 Elite 200 Club. Membership will be based on your fundraising total as of November 18, 2016 and will be announced in January 2017. Our 2017 Elite 200 Club members will be eligible to receive a special Elite 200 cycling wearable to wear at next year's ride!
6. **Become a Passport Rider!** If you raise \$5,000 or more for Bike MS NYC, you qualify to participate in any of our 100 unique rides across the country with waived registration fee and fundraising minimum through the Bike MS Passport Program. Whether you're ready for an adventure out west through the desert or a peaceful ride through Martha's Vineyard, you're sure to find an adventure that matches your interests!
