Mailed Participant Packets

Participants who met the \$250 fundraising minimum by February 10 were mailed their packets of event day materials. The following is a list of participants whose packets will be mailed out on February 15. If you received your participant packet in the mail, you should arrive **30 minutes prior** to your start time. If your name is included in the list but you have not, for any reason, received your packet in the mail by March 2, you will need to arrive at least 60 minutes prior to your start time to receive your packet of mandatory day-of-event materials.
