

Event Weekend: SAG (Special Assistance Group)

- Special Assistance Group (SAG) vehicles provide transportation to riders who need a ride to the next rest stop.
- SAG vehicles do not make bike repairs
- SAG vehicles only move a rider forward along the route.

To signal a SAG vehicle driver follow these steps:

- Move safely off the road and well out of the path of other riders
- Dismount and stand near your bike
- Remove your helmet and wave it at the SAG vehicle
