MUCKFEST® IS THE FUN 5K WITH OUTRAGEOUS OBSTACLES AND MILES OF MUD.

The MuckFest obstacles are big and bold and built to test your athleticism and your sense of humor. We'll slip, slide and smile our way through the course and then toast our accomplishments in the MuckFestival.

We're coming together to have fun, but we're also on a serious mission to wipe out MS. That's why 100% of donations go to the National Multiple Sclerosis Society.
