We can't thank you enough for your support in 2018. Because of partners like you, we were able to raise \$200,000.00 at last years event. We would like for you to support us again this year. Please join us for a memorable evening benefiting the National MS Society as we lead the worldwide movement to end MS forever. The 18th annual Uncorking the Cure for MS dinner will be held at The Hyatt Regency Downtown Tulsa Hotel on Friday evening, November 8, 2019. By connecting with others in the MS community, we are able to share experiences, information and resources that give hope to everyone impacted by MS.

What is MS?

Multiple sclerosis, an unpredictable, often disabling disease of the central nervous system, interrupts the flow of information within the brain, and between the brain and body. Symptoms range from numbness and tingling to blindness and paralysis. The progress, severity and specific symptoms of MS in any one person cannot yet be predicted, but advances in research and treatment are moving us closer to a cure.

Join Us

Our Honorary Chairs, along with our Event Co-Chairs, the Host Committee and Steering Committee, encourage you to come enjoy a lively evening of exceptional wine, dinner created especially for us by The Hyatt Regency Hotel and great entertainment. This event celebrates hope for the future, funds vital research into the cause and cure for MS and provides life-changing programs and services to those with MS and their families.

Please plan to join us as we participate in spectacular silent and live auctions, the famous "wine pull" and new surprises to make this evening even more memorable. Tables will go quickly, so reserve yours now!

Your Support is Vital

As a partner, you will receive added benefits to enhance your evening. Your generous support will heighten the success of this event and ultimately, improve the lives of those living with MS. The enclosed information details the levels of support and benefits of patronage. Please contact me at 405-463-4861 or at Brent.Patterson@nmss.org should you have any questions.

On behalf of the 1 million American's affected by MS that we serve, we thank you for your support.

Sincerely,

Steering Committee
